PART 132—QUOTAS

§ 128.25

- (c) Alternative procedure. The party who may make entry under §143.26 of this chapter may be required to submit an individual CBP Form 3461 covering the eligible shipments on a daily basis or by flight basis. Commercial invoices or advance manifests must be attached to the CBP Form 3461 which will contain the entry number and such other information deemed necessary by the port director. A notation must be placed on the CBP Form 3461 that the entry covers multiple shipments.
- (d) Entry summary. An entry summary (CBP Form 7501) must be presented in proper form, and estimated duties deposited within 10 days of the release of the merchandise under either the regular or alternative procedure described in this section. However, see paragraph (e) of this section if the shipment is valued at \$200 or less.
- (e) Shipments valued at \$200 or less. Shipments valued at \$200 or less meeting the requirements of \$10.151 of this chapter will be passed free of duty and tax. Such shipments must be segregated on the manifest from shipments valued at more than \$200 if an advance manifest is used as the entry document, as provided for in \$128.21. If such an advance manifest is used as the entry document, the following are not required to be provided for shipments qualifying under this paragraph:
- (1) The Harmonized Tariff Schedule of the United States (HTSUS) subheading number (see §128.21(a)(4)); and
